

The Experts in Authorized Microsoft Training

Global Knowledge offers a high-quality learning experience unmatched in the industry. As a Microsoft Gold Certified Partner, we have the inside track on Microsoft technologies. You can train in our classrooms or online, or even train your entire team or company at the location of your choice. It's no wonder that, according to post-class feedback, 98% of our students said they would take another Microsoft course from us.

Learn from World-Class Instructors

Our instructors have the widest range of Microsoft experience in the industry. Many of them also work as consultants, helping Fortune 500 companies achieve success through leveraging Microsoft technologies. They bring this real-world knowledge back to the classroom, helping you better prepare for your job when your training is done.

Study Curriculum That Matters

Many of our courses offer enhanced Microsoft Official Curriculum or even customized, exclusive content to ensure that you only learn what is important to know. Our dynamic lab environments help you put knowledge into practice by giving you the chance to implement, maintain, diagnose, and troubleshoot various technologies.

Achieve Your Certification Goals

Distinguish yourself and your career with qualifications that demonstrate your commitment to staying current with the latest technologies. Our certification Boot Camps include all the exams needed for certification, along with one free retake voucher for each. A fast-paced, rapid review session prior to each exam covers key material, providing you with comprehensive exam preparation.

Use Software Assurance Training Vouchers To Pay for Your Training

Has your organization purchased a Microsoft software volume licensing agreement? If so, you may be eligible to redeem Microsoft Software Assurance Training Vouchers and get free training on select Microsoft training courses through Global Knowledge.

Why Choose Global Knowledge?

Why Choose Us for Your IT and Business Training?

Global Knowledge is the worldwide leader in IT and business skills training. No other training provider is as dedicated as we are to providing customers with the absolute best training experience. With our unique brand of IT and Business Training, you can:

Learn from the Best Instructors

- More CCIE, CCSI, MCSE, MCSA, and MCITP instructors than any other training provider. All Microsoft instructors are MCTs.
- Our Project Management course instructors are experienced, PMP®-certified professionals.
- Many of our instructors are also consultants, bringing their real-world knowledge, tips, and best practices into the classroom.

Engage with Custom, Hands-On Labs and Exercises

- Cisco and Microsoft Authorized courseware is enhanced with custom labs and exercises to maximize hands-on training and dramatically improve your learning experience.
- Millions of dollars are invested in the best equipment, allowing you to configure and troubleshoot cutting-edge routers, switches, IP phones, optical and security equipment, and much more.
- Our Business Training courses feature in-class case studies and exercises so you can practice what is preached.

Choose from Robust Delivery Options

- Premium content and expert instruction are offered via open-enrollment classrooms; live web-based virtual classrooms; private on-site instruction; and self-paced learning on CD.
- We also can provide a tailored, blended learning solution that best meets your needs.
