

The Experts in Project Management Training

Our project management courses offer PMBOK® Guide theory and best practices paired with hands-on, real-world exercises taught by instructors who are experienced, PMP®-certified professionals. Discover how your projects can be on time, meet specifications, stay within budget, and result in higher quality products and services.

Achieve Your PMP Certification—Guaranteed

Need to achieve your PMP? We offer two ways for you to prepare. Our PMP Exam Prep Boot Camp prepares you for the PMP exam in just 4 days. Our Guided PMP Exam Prep is for students who can't get away from the office and have more time to prepare. Each of these options comes with our money-back guarantee if you don't pass your exam. With a 97% PMP exam pass rate for Global Knowledge students, it's easy to see how we can offer this guarantee.

Learn from PMP-Certified Project Management Instructors

One-hundred percent of our project management instructors are PMP certified. They possess the widest range of real-world, project-management experience in the industry. Our instructors maintain their expertise through project management consulting—often working with Fortune 500 companies—and bring this knowledge with them to the classroom.

Practice What Is Preached

Maximize your knowledge retention through our hands-on exercises and case studies, found in most of our Project Management courses. By putting into practice the knowledge and techniques you learn in class, you'll be better prepared to implement project management best practices into your job. In addition, with each project management course you'll receive more than 110 project management templates to use back at your job.

Why Choose Global Knowledge?

Why Choose Us for Your IT and Business Training?

Global Knowledge is the worldwide leader in IT and business skills training. No other training provider is as dedicated as we are to providing customers with the absolute best training experience. With our unique brand of IT and Business Training, you can:

Learn from the Best Instructors

- More CCIE, CCSI, MCSE, MCSA, and MCITP instructors than any other training provider. All Microsoft instructors are MCTs.
- Our Project Management course instructors are experienced, PMP®-certified professionals.
- Many of our instructors are also consultants, bringing their real-world knowledge, tips, and best practices into the classroom.

Engage with Custom, Hands-On Labs and Exercises

- Cisco and Microsoft Authorized courseware is enhanced with custom labs and exercises to maximize hands-on training and dramatically improve your learning experience.
- Millions of dollars are invested in the best equipment, allowing you to configure and troubleshoot cutting-edge routers, switches, IP phones, optical and security equipment, and much more.
- Our Business Training courses feature in-class case studies and exercises so you can practice what is preached.

Choose from Robust Delivery Options

- Premium content and expert instruction are offered via open-enrollment classrooms; live web-based virtual classrooms; private on-site instruction; and self-paced learning on CD.
- We also can provide a tailored, blended learning solution that best meets your needs.
